Style

Premium AZ 50 metal roofing and siding offers a look that can complement many building styles. With clean lines and coordinating trim, your neighbors will be impressed! Enjoy many years of excellent durability with *Premium AZ 50* metal roofing and siding.

Above & Beyond Style

They say beauty is only skin deep… Rest assured, not only is *Premium AZ-50* beautiful—it is also a product of deep integrity, from the inside out! Starting with premium quality 28-gauge steel, the strong metal substrate also provides an excellent zinc coating. *Premium AZ 50* is finally coated with a good-looking Sherwin Williams finish that provides an optimum balance of hardness and flexibility, along with corrosion, heat, and UV resistance.
